# Learn at Home with PBS KIDS

**Week of  
November 16th**

## **Hello, Families!**

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

### **It's Family Traditions Week!**

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

### **Learning Spotlight: Sharing Our Family Traditions**

This week, we're learning about how sharing our family traditions helps us to respect and contribute to the diversity of our community.

### **Show What You Know: My Family Tradition Activity**

The last activity in this packet is a perfect way for children to show what they know with a grown-up.

**Tune in:** Watch CYBERCHASE at 2pm ET on Tuesday, November 17th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at [pbskids.org/video/livetv](https://pbskids.org/video/livetv) or on your local PBS station.
