# Learn at Home with PBS KIDS

## Hello, Families!

Welcome to **"Learn Along" Bingo**! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

### It's Family Storytelling Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

### Learning Spotlight: "Personal History"

This week, we're learning about how our personal history helps us to see how our family changes and stays the same over time.

### Show What You Know: Our Family Memories

The last activity in this packet is a perfect way for children to think about and capture interesting family stories.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at [pbskids.org/video/livetv](https://pbskids.org/video/livetv) or on your local PBS station.

# Super Storytelling

**Instructions:** Engaging characters, unique settings, and crazy problems to overcome are just some of the elements of good storytelling. Get the super story juices flowing as you mix up characters, settings, and objects for your own super story creations. Color and then cut out each row of images. Keep them in four separate piles. Then, place each pile face down on a flat surface. Mix each set and then choose one card from each pile. Create your own story and write about it using the Super Storytelling chart.

<b>Character</b>	 Young Child	 Parent	 Grandparent	 Older Child
<b>Setting</b>	 Park	 Baseball Field	 Beach	 Living Room
<b>Weather</b>	 Sunny	 Rainy	 Cloudy	 Windy
<b>Object</b>	 Cape	 Seashells and Bucket	 Rainbow Parachute	 Book
